9 vs.
10 **SALOV NORTH AMERICA CORP.**,
11 Defendants.

Case No.: 14-CV-2411- YGR

12
13 **ORDER DIRECTING FURTHER SUBMISSION
14 ON PENDING MOTIONS TO SEAL**

15
16 In connection with the pending motion for class certification, the parties have submitted
17 Administrative Motions to File Under Seal pursuant to Civil Local Rule 79-5. (Dkt. Nos. 84, 97, and
18 108.) Civil Local Rule 79-5(e) provides:
19
20 If the Submitting Party is seeking to file under seal a document designated as
21 confidential by the opposing party or a non-party pursuant to a protective order, or
22 a document containing information so designated by an opposing party or a non-
23 party...[w]ithin 4 days of the filing of the filing of the Administrative Motion to
24 File Under Seal, the Designating Party must file a declaration as required by
25 subsection 79-5(d)(1)(A) establishing that all of the designated material is
26 sealable.

27 N.D. Cal. Civ. L. R. 79-5(e)(1). Here, on both Plaintiff's and Defendant's motions, no declarations
28 in compliance with the requirement stated in Civil Local Rule 79-5(e)(1) have been filed. Moreover,
the declaration submitted in connection with Defendant's motion fails to set forth a sufficient basis
to establish good cause for sealing all the matters it has designated confidential or highly
confidential and therefore seeks to seal.

1 The Designating Parties shall file any additional declarations in support of these motions no
2 later than **5:00 p.m. on Monday, May 23, 2016**. Failure to file adequate supporting declarations
3 will result in denial of the motion(s) at issue.

4 **IT IS SO ORDERED.**
